[Best Rimworld Mods Reddit!](#)

Combat Extended makes guns more realistic. Add gear and/or new factions? The Rimsenal mods are pretty cool -- add guns, hairstyles, turrets and two factions.. Good mods. Hey guys, I'm looking at modding the game a little, just to experiment with what can [r/RimWorld: Discussion, screenshots, and links, get all your RimWorld content here!](#). Recently looked into modding after putting around 80 hours into vanilla. I've browsed the steamworks page for a while and I can't seem to find any mods that [r/RimWorld: Discussion, screenshots, and links, get all your RimWorld content here!](#) ... Best Mods? Mod Showcase. Any good suggestions for a mod noob?. Some really good gameplay mods that I love are Dub's Bad Hygiene, combat extended, hospitality, most all of Fluffy's mods, quality builder, wall light, interaction If this post is a request for mods to enhance your RimWorld experience, please consider checking out the modding FAQ for a list of often recommended mods.. I've finally got the game, can someone recommend me some of the best mods they've had or ones they can't play without? 14 comments. share. save hide report.. Top 5 in 4 categories! Quality of Life, no content additions: Prepare Carefully, Pick Up and Haul, Quality Builder, Snap Out!, Uninstall Rimworld (lets you move [r/RimWorld: Discussion, screenshots, and links, get all your RimWorld content here!](#). [r/RimWorld: Discussion, screenshots, and links, get all your RimWorld content here!](#) ... New comments cannot be posted and votes cannot be cast. Sort by. best.. I have 200 hours in vanilla rimworkd and am now looking into getting mods that will help with immersion and realism, like things that should be in rimworld I have about 1k hours in the game and I am no stranger to the Rim but I've never used a single mod, excluding trivial ones like "trading spot" from back in the day [r/RimWorld: Discussion, screenshots, and links, get all your RimWorld content here!](#)

I'm interest in basically everything from a more realistic gameplay to stuff related to magic or whatever you think it's cool. Thank you! 25 comments. share. save. Saves an incredible amount of time and what it adds is logical in a gaming sense. It is the quintessence of good modding. Check the mod requirements if you sub.. [r/RimWorld: Discussion, screenshots, and links, get all your RimWorld content here!](#). Get it and put it at the top of the mod order so you don't have to worry about it again. Fluffy Mod Manager - A much better mod menu. Should be vanilla. IMO it's Vanilla's very good. However I now can't manage without some kind of stack XXL mod. The small stack sizes used to mean freezers the size of football stadiums.. Best mod combinations for a "new" game experience. I've got almost 500 hours in Rimworld. Most of which is with Vanilla, I've dabbled in a few mods ...
